IMPORTANT

BEFORE installation use the checklist to verify that all components are included. If any parts are missing or appear defective contact our customer service team for a replacement.

Ensure that the screen is compatible with the unit BEFORE attaching to the mounting bracket according to VESA patterns and the supported weight of the screen.

Specialist assistance may be required for installation.

CAUTION

Please read the entire instructions and safety guidelines prior to assembly.

Failure to do so may cause injury or damage to product.

- Always wear suitable personal protective equipment and use the correct tools to perform the installation safely.
- DO NOT exceed the maximum permissible weight of the trolley, make modifications or use the trolley outside. Be careful not to overtighten fixings.
- Use only the factory provided mounting screws as indicated in the instructions.
- Ensure the construction of attaching surfaces has structural integrity capable of supporting the total weight of the trolley and additional equipment.
- Keep children away from the assembly hardware, small parts may cause choking if swallowed.
