

HP Mini IP Conference PC with Microsoft Teams Rooms

*Product image may differ from actual product

Skip the configuration and start your meeting

Empower your teams with rich, immersive collaborative experiences across town and around the world in an instant. The HP Mini IP Conferencing PC with Microsoft Teams Rooms³ is designed to work with your existing audiovisual infrastructure, the Poly TC10 controller and up to two displays.^{4,14}

Simple setup

Setting up your conferencing space is fast and easy with an Intel® processor² driven PC that has Microsoft Teams Rooms³ preinstalled.

A fast and robust connection keeps you on track

Connect the Poly TC10⁶ to a PC using a robust Ethernet cable and rely on HP software⁵ to help ensure the Poly TC10 can stay up and running all day.

Strong security and manageability

Get a highly secure and manageable PC that has the self-healing protection of HP Sure Start Gen7⁷ and easy device management with HP Manageability Integration Kit.⁸

Sustainability in action

Help protect our shared future

At least 50 percent of all plastic used in this PC is post-consumer recycled plastic.⁹ The outer box packaging is 100 percent sustainably sourced.¹⁰

Featuring

Conference room ready

Get powerful performance from Windows IoT¹ and an Intel® processor.²

Expand your solution

Easily connect your certified audio, video, and Poly TC10 controller.^{3,6}

Automatic recovery from firmware attacks

Firmware attacks can completely devastate your PC—stay protected with HP Sure Start Gen7⁷ self-healing BIOS.

Easy management with Poly Lens

Take control of your deployment from anywhere via remote management with Poly Lens⁸ cloud-based device management software.

Get PC images right the first time

ITDMs can quickly help create, improve, and secure custom Windows images with HP Image Assistant.

Built-in durability

Rest easy with a PC that goes the distance and undergoes MIL-STD 810 testing.¹²

Specifications

Form factor

Mini

Performance

Available Operating Systems: Windows 11 IoT Enterprise¹

Processor family: 13th Generation Intel® Core™ i7 processor

Processor: Intel® Core™ i7-13700T (up to 4.9 GHz with Intel® Turbo Boost Technology, 30 MB L3 cache, 16 cores, 24 threads)^{6,7}

Chipset: Intel® Q670 (vPro®)³

Product colour: Black

Maximum memory: 16 GB DDR5-4800 MT/s (2 x 8 GB)
Transfer rates up to 4800 MT/s.

Memory slots: 2 SODIMM

Internal storage: 256 GB PCIe® NVMe™ M.2 SSD

Available Graphics: Integrated; Intel® UHD Graphics 770

Expansion slots: 1 M.2 2230; 2 M.2 2280 1 M.2 2230 slot for WLAN and 2 M.2 2280 slots for storage

Software: Microsoft Teams Rooms;

Management features: HP Console Control; Poly Lens²⁰; HP Image Assistant (download); HP Manageability Integration Kit (download)⁹;

Graphics (integrated): Intel® UHD Graphics 770

Power: 150 W external power adapter, up to 89% efficiency

Connectivity and communications

External I/O ports:

Front: 1 USB Type-C® 20Gbps signaling rate; 1 USB Type-A 10Gbps signaling rate (charging); 1 USB Type-A 10Gbps signaling rate

Rear: 1 USB Type-C® 10Gbps signaling rate (DisplayPort™); 1 USB Type-C® 10Gbps signaling rate; 3 USB Type-A 10Gbps signaling rate; 1 HDMI 2.0b; 1 HDMI-in 2.0; 1 RJ-45; 1 standard lock slot; 1 power connector; 2 DisplayPort™ 1.4a; 1 PoE 2.5Gbps signaling rate

Communications: Intel® Wi-Fi 6E AX211 (2x2) and Bluetooth® 5.3 wireless card (supporting gigabit data rate)

Audio

Audio features:

Realtek ALC3252 codec, universal audio jack with CTIA and OMTP headset support

Environmental

Operating humidity range: 10 to 90% RH

Operating temperature range: 10 to 35°C

Energy star certified: ENERGY STAR® certified

Sustainable impact specifications: 50% post-consumer recycled plastic; Outer box is 100% sustainably sourced^{21,22}

HP Mini IP Conference PC with Microsoft Team Rooms

Specifications

Security

Security management: HP Sure Sense¹⁷; HP Sure Start¹⁸;

Security Software Licenses: HP Wolf Pro Security Edition

Weight and dimensions

Product Primary Color: Black

Weight: 1.42 kg

Product dimensions: 17.7 x 17.5 x 3.4 cm

Package weight: 2.95 kg

Package dimensions: 49.2 x 11.4 x 25.1 cm

UPC number: 198122884216

Product number: A1ZB6AW

Product name: HP Mini IP Conference PC with Microsoft Team Rooms

Warranty

HP standard one-year limited warranty

Country of origin

China(UUZ, ABG, AC4, ACJ, UUF, ABM, AR6, AB1, AB0, ABJ, ABU, ABT, AB2, ABB); Mexico(ABA, ABM)

What is in the box

HP Mini IP Conference PC with Microsoft Team Rooms

Ethernet LAN POE cable (10 m)

DisplayPort to HDMI Video Adapter

150W External Power Adapter

External Power Adapter AC Power cable (1.8 m regional)

Desktop Mini Port Cover

Dual VESA Sleeve V3

Power Supply Holder V4

Footnotes

Messaging Footnotes

² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

³ Microsoft Teams Rooms Basic software is pre-installed, license activation required and includes core meeting experiences for up to 25 devices. A Pro license is sold separately and includes all Basic features plus the enhanced in-room meeting experiences, security and the Microsoft Teams Rooms Managed Services platform. Terms and conditions are subject to change. For more information, please visit [Aka.ms/TeamsRoomsLicensing](https://aka.ms/TeamsRoomsLicensing).

⁴ An Intel® Core™ i5 or i7 processor is required to support two displays. Touch-control panels and displays sold separately.

⁵ HP Software services, included in the HP Mini Conferencing PC, run to monitor the state of Poly TC10 touch controller and attempt to remedy if there are problems detected.

⁶ When more than one Poly TC10 touch controller is paired, the PoE port on the PC connects to a local PoE switch, to which the Poly TC10 touch controllers are connected. In these scenarios "direct connect to PC" does not apply. Up to four Poly TC10s are supported. Audio, video, and Poly TC10 touch controller sold separately.

⁷ HP Sure Start Gen7 is available on select HP PCs and requires Windows 10 and higher.

⁹ Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 standard.

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated, which is always enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

⁸ Poly Lens software capabilities are limited to Poly devices and select HP cameras. For the most up to date list of supported devices you may check the support list here: <https://info.lens.poly.com/docs/begin/supported-devices>.

¹⁰ 100% outer box packaging made from sustainably sourced certified and recycled fibers. Fiber cushions made from 100% recycled wood fiber and organic material. Any plastic cushions are made from >90% recycled plastic.

Technical Specifications Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

³ Intel vPro® on this product requires a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or Wi-Fi 6E WLAN and TPM 2.0. Some functionality requires additional 3rd party software in order to run. Features of vPro® Essentials and Enterprise vary. See <http://intel.com/vpro>.

⁴ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

⁵ Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost> for more information.

⁶ Only select processors available with each configuration.

⁷ For systems configured with more than 3 GB of memory and a 32-bit operating system, all memory may not be available due to system resource requirements. Addressing memory above 4 GB requires a 64-bit operating system. Memory modules support data transfer rates up to 4800 MT/s; actual data rate is determined by the system's configured processor. See processor specifications for supported memory data rate. All memory slots are customer accessible/upgradeable.

⁸ All memory slots are customer accessible/upgradeable.

⁹ HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.
