

The SMART Board® QX Pro series is the unmatched all-in-one technology solution designed for the dynamic needs of the modern workplace. The QX Pro series puts everything you need to deliver a seamless interactive and collaborative meeting experience in one place.

SMART Board

QX PRO
series

65" | 75" | 86"

Embedded Android 11

The world's FIRST to market interactive display to provide Android 11 support.

iQ Pro embedded Android experience

Designed exclusively for business, SMART's out-of-the-box iQ Pro Android experience makes collaboration easy and dynamic.

Collaboration and annotation software

SMART Meeting Pro collaboration software and dynamic SMART Ink annotation software included.

Two power-packed USB-C ports

Two 65W USB-C ports that support video, touch, audio and data with an included USB-C cable.

SMART's exclusive Simultaneous Tool Differentiation

Multiple users write, erase and move objects at the same time without interfering with another user's tool choices.

Advanced inking and touch capabilities

Experience lag-free and uninterrupted writing precision with pressure sensitive pens and palm rejection on an optically bonded glass for a true pen on paper feel.

Video conferencing

Works with an array of popular video conferencing apps, including Microsoft Teams, Zoom, Google Meet and Webex, to connect on-site and remote participants instantly.

Integrated RFID NFC reader with CCID support

Quickly log in with the tap of an RFID or CCID enabled card through the integrated NFC reader.

Sharp, bright displays with a UHD flush-mounted camera

Enjoy a rich immersive visual experience on a 4K interactive display with an included ultra-high definition 4K camera.

Integrated sound bar

Get crystal clear audio with the combined power of two 20W speakers and 15W sub-woofer.

Integrated mic-array

Be heard from anywhere in the room with an integrated eight-microphone array.

TRAINING AND SUPPORT SERVICES

Get the best out of your SMART Business Solutions

Partnering with SMART means we don't leave you to figure out how to use your collaboration solution—we help you achieve your goals. SMART provides training and has several installation and support services options to fit your needs and budget.

Training

SMART's professional training program is designed to help you and your team use SMART products to collaborate, communicate and contribute effectively in real-time. Whether in-person or through a hybrid environment, SMART Professional Training solutions are an engaging and effective way to successfully upskill and re-skill your team.

Support

SMART's global support team has the experience, knowledge and resources to ensure consistent, fast and effective support. Make your SMART experience simply seamless with a host of warranty options, training resources and technical support.
