SLEEK AND STYLISH all-in-one

The sleek Epson® Expression® XP-5200 wireless all-in-one offers auto 2-sided printing and other high-performance features for efficient everyday home printing. Featuring a 2.4" color LCD for simple setup and navigation, the XP-5200 makes it easy to wirelessly print, copy, and scan documents and photos.

AFFORDABLE INDIVIDUAL INK CARTRIDGES

Depending on what you are printing - lots of blue skies will mean your cyan will need replacing sooner than other colours - your printer's ink will reduce at different levels. With individual inks you only need to replace one cartridge at a time - the one that actually needs replacing. With tri-colour cartridges, you end up throwing away the entire cartridge even if just one colour runs out, meaning you waste the good ink you have left. Wasted ink is just wasted money. Epson individual ink cartridges means you save money and don't waste ink.

EPSON SMART-PANEL

An innovative interface, the Epson Smart Panel app[2] transforms your iOS® or Android™ mobile device[3] into an intuitive control centre for your Epson Expression Home XP-5200. This powerful tool makes it easy to set up, monitor, print, scan and more using your Epson printer, right from your hand-held device. With quick-configuration features, it offers easy product setup on your wireless network and automatically detects your printer. Customize the app to your own preferences and requirements.
