Alloys Freight Policy

Printer Consumables orders over $500 ex GST will not be charged freight. [1]

The following standard freight costs apply to all other orders [2]

Destination	Standard Freight
Metro Melbourne, Sydney, Brisbane, Adelaide	$10
Zone 1 1 day delivery from nearest warehouse	$20
Zone 2 2 day delivery from nearest warehouse	$40
Zone 3 3 day delivery from nearest warehouse	$55
Air Bag / Air Box [3]	$15

[3] Darwin/NT Surcharge of $30 applies for all air bags delivered via Darwin airport.

Note: If a specific carrier is required, Alloys will supply a charge sheet.

[2] Additional freight charges

If any of the below conditions apply, the order is considered non-standard and charges will be individually calculated. The customer needs to agree to the freight charges prior to shipping. Quotes will be provided via the website for online orders.

- Heavy or bulky items that may require tailgate/stairmaster, e.g, panels, projector screens, large format media
- Urgent point to point (express), delivery premium (i.e. airfreight)
- Special delivery instructions, e.g. pallets, large format printers
- Offshore islands and remote/distant mainland locations
- Selected Product(s)

Backorders

Stock quantities are displayed on our website. All goods that are on hand will be shipped immediately unless the customer requests a no part ship. After the initial shipment no more goods will be shipped until all goods are available for shipment.

Please note

If a nominated delivery address is unattended at the time of delivery, the courier will leave a card in your letterbox to allow you to arrange for re-delivery. Our couriers will not leave goods unattended at the doorstep. We reserve the right to recover an "attempted delivery fee".

[1] Only Printer Consumables standard orders over $500 ex GST will not be charged for Standard Freight. 3D Print products are excluded.
